MANY HELPED SPREAD CHEER AT CHRISTMAS

Christmas was happier for a number of people throughout the county as the result of the generosity of organizations and individuals.

Among organizations who made part of their Christmas observance the giving of gifts to deserving families were the Upper Adams Lions, who gave 21 boxes of food to people throughout the upper part of the county. On the committee for distribution of the boxes were Richard Pink, Roy Tate, Willis Weigle and Harry Geisselman.

The local Moose lodge donated 13 food baskets to as many families Thursday and members distributed a number of other baskets throughout the area.

Gifts From Eagles
The Eagles lodge gave several food baskets and made as a special gift a donation toward an operation for a resident of the county.

The Beta Sigma Phi "served as a committee through which a great number of persons" gave food, clothing, a Christmas tree and gifts to a needy family, is the way officials of the local sorority put it.

Those who during the past several days have given unselfishly toward aiding needy families number into the hundreds.

In all instances, as even in the ones cited above, the donors have pleaded for anonymity but those are reported as part of the picture of generosity on the part of citizens at this Christmas time.

2 PURSES LOST; BOTH ARE FOUND

Loss of two purses over the Christmas season resulted in both being returned by finders.

Arthur Cluck, Gardners R. 2, went to the police office here about 6 o'clock Thursday night to turn in a lady's purse he had found on Lincoln Square.

While he was there chatting with policemen, Mary L. Group, 318 N. Stratton St., came to the office—to report the loss of her purse. It took only seconds to determine the one lost and the one found were the same.

Christmas morning Mrs. G. Henry Roth, 43 South St., discovered she had lost her purse containing \$42. While the family was searching, Dwight Sites, Gettysburg R. 2, local Penn Supreme milkman, called to report he had found the wallet, with money, in front of the Roth home early that morning when he made his deliveries. It had apparently been dropped to the side walk Christmas Eve.

Sites refused a monetary award but said: "I just did what anyone would do. If you wish to give a reward, just express my appreciation to all of my customers who gave me Christmas gifts."

WINS COW AND CHICKS ON TV

The Marcellus Weaver family of Biglerville R. 2 will have their cow and chickens to help fill the family food locker during the winter months.

The Weaver family lost its possessions about four years ago in a fire. Since then the family had "made out" but the financial affairs have been difficult and sometimes a little bit more has been needed than actually was on hand. Mr. Weaver is an orchard worker and winter is a slack season.

A son, George Weaver, aged 15, decided to remedy the problem by writing the radio and television program, "Turn to a Friend."

Then he told the family. Thursday Mrs. Weaver and George were guests on the Dennis James television show in New York. They won a victrola and records and other gifts, then George was brought forward to answer the question: "What is the largest automobile center in the world?" George's answer of "Detroit," won for him the cow and 200 chicks. The animals will be delivered this week to the Weavers.

Over 500 Youngsters At Moose Party

More than 500 youngsters crowded the local Moose lodge Thursday afternoon for the annual Kiddies Christmas party held by the organization at its home on York St.

Movies were shown to entertain the youngsters. Santa arrived to distribute special gifts. Treats of candy and fruit were distributed by Santa, members of the Women of the Moose and the officers of the lodge at the conclusion of the party.

Plan 15-mile Ride On Sunday Afternoon

The Gettysburg Riding Club has scheduled a 15-mile canter for Sunday afternoon leaving from the Winebrenner Farm at 1:30 p.m.

President LeRoy H. Winebrenner invited anyone to join the group for the entire ride or any part of it.

The horsemen and women will go out Confederate Ave. to the Water Works Rd. and then circle to the Knoxlyn Rd. and return to the starting point by way of the Country Club.

COURT HOUSE OFFICE CAN'T BOOST RATES

Beginning January 1 a number of fees will increase in many prothonotaries' offices throughout the state—but not in Adams County.

Prothonotary Wayne K. Shields was elected "too soon" to take advantage of the increases approved by the state legislature, he said today.

The law forbids an elected official from accepting an increase in pay while serving his term. He has to serve at the pay provided when he took office.

However, the next prothonotary will be able to charge the new rates approved by the legislature. A number of prothonotaries throughout the state, elected after Mr. Shields, are able to put the new rates into effect.

These Rates Here Later
The fee changes that will come about in Adams County when a new prothonotary takes over are as follows:

Entry of chattel mortgages will cost \$3 instead of \$1.50; satisfactions and assignments will be \$1 each instead of 75 cents each; execution writs will be \$2 instead of \$1.50; judgments on notes and bonds will be \$3.50 instead of \$2.50; certificate of judgment, \$5 instead of \$3; no appearance or no answer, \$3 instead of \$2; amicable revival, \$3 instead of \$2.50; transcript from alderman or justice of the peace, \$2.75 instead of \$2.25; appeal from alderman or justice of the peace, \$2.75 instead of \$2.25; entry of exemplified judgment, \$3.50 instead of \$3; satisfaction, \$1.50 instead of \$1.

Other fees will remain the same, but a rate has been set for filing a letter of attorney at \$2.50 and for revoking letter of attorney, \$1.50.

CLUB TO DANCE AT FARM SHOW

Sixteen members of the Adams County Senior Extension Club will take part in two square dance numbers at the 1954 Farm Show at Harrisburg, it was announced at Wednesday evening's meeting of the club at the Bendersville Community Hall.

The numbers in which the countesses will take part will be entitled "Marching Through Georgia" and "Glory, Glory, Hallelujah."

President Harold Garretson called for volunteers to fill the club's quota for the dance numbers.

The radio committee reported presentation of a program over WGET Friday, December 11, in addition to the regular program on the station the third Saturday of the month.

The annual New Year's Eve party will be held December 31 at 10 p.m. at the York Springs Scout cabin. It was announced. The Christmas ball held December 12 was reported "quite successful."

Following the meeting the club held its annual Christmas party with the traditional exchange of gifts.

500 IN SQUARE AT EMMITSBURG FOR XMAS EVENT

A crowd estimated at 500 jammed Emmitsburg square Thursday afternoon for the annual Community Christmas celebration held there under sponsorship of the Emmitsburg Lions Club, merchants, patrons and the Homemakers Club. The event was the 25th held in the community on the day before Christmas since the first such program in 1929.

Activities began at 11 o'clock Thursday morning when the Emmitsburg theater, in cooperation with the other groups, presented a free movie show for the youngsters. After the show there was a free lunch for all of the children with the Homemakers Club in charge of the luncheon held at the Emmitsburg fire hall.

Santa Was There
Santa Claus arrived in Emmitsburg square at about 2 o'clock Thursday afternoon to greet the children and distribute gifts of oranges and candy.

Santa's arrival took the form of parade for the children and Santa from the Doughboy statue in the western part of Emmitsburg to the square. Music for the procession was provided by the Emmitsburg Municipal band.

In keeping with the program Christmas music was amplified throughout the day from the tower of the Lutheran Church with J. Ralph McDonnell in charge of that portion of the festivities.

Herbert Roger was general chairman of the committee which arranged the event.

Hanover R. 3 Man Is Shot In York

A Hanover R. 3 man was shot in the stomach and severely wounded after an argument in the 100-block West Princess Street, York, at 3:45 a.m. Friday.

The wounded man, Robert Stone, 40, was in satisfactory condition Friday night at York Hospital where a .32 calibre bullet has been removed from his body.

Norman Scribner, 40, of 360 Oak Lane, was ordered held 48 hours for investigation by police court magistrate William M. Nickey at the request of city police in connection with the case.

Scribner was arrested at his home after the shooting by Patrolmen Burton A. Heagy and Gene Wolford.

Three Injured As Truck Upsets

Three persons were injured slightly Friday night at 11:45 o'clock when their truck reportedly went out of control and upset on the Hanover-Baltimore Highway, about five miles south of Hanover.

Police said the three persons, all treated at Hanover Hospital and discharged, were: John H. Noraineck, the driver, Hanover, lacerations of forehead; Thomas C. Klunk, McSherrystown, lacerations of left hand, and George A. Neblett, Atlanta, Ga., lacerations of forehead. The truck was owned by Henkle McCoy, Philadelphia. The trio was taken to the hospital in Hanover ambulance.

GIFTS FOR WORKERS
The Industrial Equipment plant Wednesday afternoon distributed hams and turkeys as a Christmas present to the employees. The plant will be closed from noon today until Monday morning.

Driver Arrested After Auto Crash

Charges of driving too close for conditions was filed against a Hanover R. 3 motorist before Justice of the Peace George A. Lippy after, police said, his car crashed into the rear of another car halted in the 300-block Baltimore St., Hanover, for a traffic light Thursday at 4:30 p.m.

Police said Richard D. Warner was driving north on Baltimore Street in back of a vehicle operated by Wilford Geisler, 503 South street, McSherrystown, when the collision occurred. Damage to Warner's car was estimated at \$400 and to the second car, owned by Valley's Motor Company, Carlisle Street, at \$150. No one was injured.

APPROPRIATION IS INCREASED

The annual appropriations to the Adams County Free Library was increased by the Adams County Commissioners to \$4,500 per year at Wednesday's meeting of the commissioners at the Court House.

Members of the board of the library appeared before the county governing body at the meeting to explain the need for increased funds for use by the library.

Originally the county had given \$3,500 per year to the library. In 1951 that amount was raised to \$4,300. Next year the amount will be upped by \$200 to \$4,500. The increase voted by the commissioners will also mean an increase of \$150 from state funds for the library. The state contributes on a "three-fourths" basis, giving three-fourths of the amount donated by the county up to the sum of \$5,000.

Other business before the commissioners included approval of repairs to the flooring at the Rothaupt's Mill bridge over Marsh Creek between Freedom and Cumberland townships.

BOOK SHOWS COUNTY GROWTH

The business growth of Adams County was underlined this week when the physical count of names of businesses listed in the November, 1953, Reference Book of Dun & Bradstreet was completed. The new count showed an increase of 24 per cent in the past seven years, according to M. M. Haworth, Dun & Bradstreet's manager at Philadelphia which covers this area.

He disclosed that in 1946 there were 697 rated businesses listed in the towns comprising Adams County and the count of these same towns, in the new book showed 871. The Reference Book lists commercial enterprises—manufacturers, wholesalers, retailers, and other businesses, generally those buying regularly on credit. It does not, however, include some service and professional establishments, such as real estate brokers, barber and beauty shops, stock brokers, etc. Thus, figures for all businesses in Adams County would be higher than the ones quoted above.

Gettysburg, which had 260 enterprises listed in 1946, now has a total of 319, or an increase of 23 per cent, while Littlestown, which formerly had 96 names listed, now has 115, or an increase of 20 per cent.

29 AT BANQUET
Twenty-nine employees of the Gettysburg Garment Company held their annual Christmas banquet at Miller's Restaurant, Main St., York Springs Wednesday evening.

CANNOT FIND "PARKED" CAR AFTER MISHAP

Borough police, called to investigate an accident at the corner of W. Middle and S. Franklin Sts. at 5:45 o'clock Thursday evening, are still worried today about a "minor mystery" in connection with the mishap.

When police arrived they learned that Junior Woodring, 28 R. 3, had fallen from a car and suffered bruises of the right knee, side and face. They found him on the street, with a crowd gathered around.

As soon as the police arrived, one member of the crowd fled. Police captured him at the corner of W. Middle and S. Washington Sts. He was Claude E. Tester, R. 3. He said he had been driving the car from which Woodring fell, that he had driven to the nearest available parking space, that he had returned to the scene, saw the police, feared he would "get into trouble," and fled.

Later police told Tester they were arresting him on charges of driving without a license and driving too fast for conditions and advised him to take Woodring home in a taxi cab.

Several hours later Tester told police that he could not recall where he had parked his car after Woodring fell out. Police searched the town for the vehicle. So far they have not found it.

More Than 1,000 At Chevrolet Viewing

More than 1,000 persons visited the Warren Chevrolet Sales rooms, Lincolnway East, during the formal presentation of the new 1954 Chevrolets this week. It was the largest crowd to visit the showrooms during any previous new car showing.

Door prizes were awarded to the following:

James Hankey, 19 5th St.; Mrs. Ralph Bream, R. 4; Paul Walter, 102 Water St.; Donald Wagner, Orrtanna R. 1; Ethel Steiner, 525 York St.; Francis Mickle, 2 Wall St.; Howard Brown, 207 Chambersburg St.; Mrs. James Kootz, Emmitsburg.

Greeting Arrives After Long Journey

It took from November 30 to December 24 for a Christmas greeting to travel from Freeport, Ill., to Orrtanna R. D., but it wasn't the post office's fault.

Mr. and Mrs. Albert Hagerman, of Freeport R. 4, who spent part of the summer with Mr. and Mrs. D. N. Nail, New Oxford R. 2, decided to send a Christmas greeting to Mr. and Mrs. Luther Wetzel, Orrtanna R. D.

They mailed it November 30, but erroneously wrote Orrtanna, instead of Orrtanna, in the address. The letter visited a number of post offices in the Pittsburgh area while postmen tried to figure out what town was meant. Then it was sent back to Freeport. The Hagermans then sent it to Mr. Nail, who delivered the greeting personally on Thursday.

500 IN SQUARE AT EMMITSBURG FOR XMAS EVENT

A crowd estimated at 500 jammed Emmitsburg square Thursday afternoon for the annual Community Christmas celebration held there under sponsorship of the Emmitsburg Lions Club, merchants, patrons and the Homemakers Club. The event was the 25th held in the community on the day before Christmas since the first such program in 1929.

Activities began at 11 o'clock Thursday morning when the Emmitsburg theater, in cooperation with the other groups, presented a free movie show for the youngsters. After the show there was a free lunch for all of the children with the Homemakers Club in charge of the luncheon held at the Emmitsburg fire hall.

Santa Was There
Santa Claus arrived in Emmitsburg square at about 2 o'clock Thursday afternoon to greet the children and distribute gifts of oranges and candy.

Santa's arrival took the form of a parade for the children and Santa from the Doughboy statue in the western part of Emmitsburg to the square. Music for the procession was provided by the Emmitsburg Municipal band.

In keeping with the program Christmas music was amplified throughout the day from the tower of the Lutheran Church with J. Ralph McDonnell in charge of that portion of the festivities.

Herbert Roger was general chairman of the committee which arranged the event.

The wounded man, Robert Stone, 40, was in satisfactory condition Friday night at York Hospital where a .32 calibre bullet has been removed from his body.

Scribner was arrested at his home after the shooting by Patrolmen Burton A. Heagy and Gene Wolford.

Police said the three persons, all treated at Hanover Hospital and discharged, were: John H. Noraineck, the driver, Hanover, lacerations of forehead; Thomas C. Klunk, McSherrystown, lacerations of left hand, and George A. Neblett, Atlanta, Ga., lacerations of forehead. The truck was owned by Henkle McCoy, Philadelphia. The trio was taken to the hospital in Hanover ambulance.

Driver Arrested After Auto Crash

Charges of driving too close for conditions was filed against a Hanover R. 3 motorist before Justice of the Peace George A. Lippy after, police said, his car crashed into the rear of another car halted in the 300-block Baltimore St., Hanover, for a traffic light Thursday at 4:30 p.m.

Police said Richard D. Warner was driving north on Baltimore Street in back of a vehicle operated by Wilford Geisler, 503 South street, McSherrystown, when the collision occurred. Damage to Warner's car was estimated at \$400 and to the second car, owned by Valley's Motor Company, Carlisle Street, at \$150. No one was injured.

APPROPRIATION IS INCREASED

The annual appropriations to the Adams County Free Library was increased by the Adams County Commissioners to \$4,500 per year at Wednesday's meeting of the commissioners at the Court House.

Members of the board of the library appeared before the county governing body at the meeting to explain the need for increased funds for use by the library.

Originally the county had given \$3,500 per year to the library. In 1951 that amount was raised to \$4,300. Next year the amount will be upped by \$200 to \$4,500. The increase voted by the commissioners will also mean an increase of \$150 from state funds for the library. The state contributes on a "three-fourths" basis, giving three-fourths of the amount donated by the county up to the sum of \$5,000.

Other business before the commissioners included approval of repairs to the flooring at the Rothaupt's Mill bridge over Marsh Creek between Freedom and Cumberland townships.

BOOK SHOWS COUNTY GROWTH

The business growth of Adams County was underlined this week when the physical count of names of businesses listed in the November, 1953, Reference Book of Dun & Bradstreet was completed. The new count showed an increase of 24 per cent in the past seven years, according to M. M. Haworth, Dun & Bradstreet's manager at Philadelphia which covers this area.

He disclosed that in 1946 there were 697 rated businesses listed in the towns comprising Adams County and the count of these same towns, in the new book showed 871. The Reference Book lists commercial enterprises—manufacturers, wholesalers, retailers, and other business, generally those buying regularly on credit. It does not, however, include some service and professional establishments, such as real estate brokers, barber and beauty shops, stock brokers, etc. Thus, figures for all businesses in Adams County would be higher than the ones quoted above.

Gettysburg, which had 260 enterprises listed in 1946, now has a total of 319, or an increase of 23 per cent, while Littlestown which formerly had 96 names listed, now has 115, or an increase of 20 per cent.

Dr. Ralph R. Gresh will be the liturgist at the services, assisted in the distribution of the elements by Dr. Norman S. Wolf. On Sunday morning Dr. Gresh will give the Communion meditation and in the evening Dr. Wolf will be the preacher.

Music for the Communion services will be provided by three of the church choirs under the direction of Prof. Richard B. Shade. At the 10:30 service the Junior High School Choir will sing "Love Came Down at Christmas" by Carl F. He had been injured, Shaner told police, when two men leaped out of a car and struck him with, he thought, a broken bottle. He said he had not seen the men before, nor could he give any reason for their actions.

CANNOT FIND "PARKED" CAR AFTER MISHAP

Borough police, called to investigate an accident at the corner of W. Middle and S. Franklin Sts. at 5:45 o'clock Thursday evening, are still worried today about a "minor mystery" in connection with the mishap.

When police arrived they learned that Junior Woodring, 26, R. 3, had fallen from a car and suffered bruises of the right knee, side and face. They found him on the street, with a crowd gathered around.

As soon as the police arrived, one member of the crowd fled. Police captured him at the corner of W. Middle and S. Washington Sts. He was Claude E. Tester, R. 3. He said he had been driving the car from which Woodring fell, that he had driven to the nearest available parking space, that he had returned to the scene, saw the police, feared he would "get into trouble," and fled.

Later police told Tester they were arresting him on charges of driving without a license and driving too fast for conditions and advised him to take Woodring home in a taxi cab.

Several hours later Tester told police that he could not recall where he had parked his car after Woodring fell out. Police searched the town for the vehicle. So far they have not found it.

Engagement Is Announced

Mr. and Mrs. J. Clare Routsong, Hanover St., on Christmas announced the engagement of their daughter, Jacquelin, to A/C Robert E. Deck, son of Mr. Robert C. Deck and the late Mrs. Deck, Shippensburg.

Airman Deck was graduated from the Shippensburg High School and attended Shippensburg State Teachers College. He is a member of the United States Air Force and is stationed at the Otis AFB near Boston.

No date has been set for the wedding.

More Than 1,000 At Chevrolet Viewing

More than 1,000 persons visited the Warren Chevrolet Sales rooms, Lincolnway East, during the formal presentation of the new 1954 Chevrolets this week. It was the largest crowd to visit the showrooms during any previous new car showing.

Door prizes were awarded to the following:

James Hankey, 19 5th St.; Mrs. Ralph Bream, R. 4; Paul Walter, 102 Water St.; Donald Wagner, Orrtanna R. 1; Ethel Sterner, 525 York St.; Francis Mickle, 2 Wall St.; Howard Brown, 207 Chambersburg St.; Mrs. James Kootz, Emmitsburg.

Greeting Arrives After Long Journey

It took from November 30 to December 24 for a Christmas greeting to travel from Freeport, Ill., to Orrtanna R. D., but it wasn't the post office's fault.

Mr. and Mrs. Albert Hagerman, of Freeport R. 4, who spent part of the summer with Mr. and Mrs. D. N. Nail, New Oxford R. 2, decided to send a Christmas greeting to Mr. and Mrs. Luther Wetzel, Orrtanna R. D.

They mailed it November 30, but erroneously wrote Nortanna, instead of Orrtanna, in the address.

The letter visited a number of post offices in the Pittsburgh area while postmen tried to figure out what town was meant. Then it was sent back to Freeport. The Hagermans then sent it to Mr. Nail, who delivered the greeting personally on Thursday.

LEGLESS VET
IS BEATEN BY
YOUNG THUGS

LONG BEACH, Calif. (AP)—A special squad of detectives has been assigned to investigate the brutal beating Christmas day of a legless Korean War veteran by a pack of young hoodlums.

Charles J. Baker, 23, who not only left his legs in Korea but also the fingers of both hands, was set upon by five or six youths as he was going home from a visit to his uncle's home early yesterday morning.

He told sheriff's deputies that while he was driving in his specially equipped amputee's car another automobile force him to the side of the road in the nearby Artesia district. He said he was dragged from his car by the youths and after being beaten was robbed of his new Christmas watch and \$10.

"Cursing, Yelling, Hitting Me"

"I told them I didn't have any fingers or legs and that I had been in the war but they were all cursing and yelling and hitting me with their fists," Baker told a reporter.

One of his artificial legs was almost torn off by the attackers. He was treated for numerous bruises and abrasions at an emergency hospital.

Baker and his wife, Bernice, have an 8-month-old baby daughter. He was serving with an Army unit in Korea on Nov. 26, 1951, when he was shot through the chest and leg and lay in freezing weather for 36 hours. When he was finally taken to an aid station his legs and fingers were gone beyond hope of saving. He is still receiving treatment.

Smith Family

(Continued from Page 1)

Family Fund, with Rev. Leonard Falk of Iron Springs, as treasurer. From that fund came the three months rent. The firemen hope the fund will be sufficient to keep the family from need for several months. It will be expended as needs of the family arise.

"Have More Than Before"

So much furniture, clothing, etc., was received that firemen were unable to use all of it in furnishing the home and providing clothing for the family. So they established a warehouse for the additional gifts and will provide them to the Smith family as needed, or in case of a similar catastrophe, will provide some of the furniture, etc., for other families in similar difficulties.

In addition to the donations made through the firemen, numerous organizations and individuals made direct gifts to the Smiths at the Bigham home.

Mrs. Smith said today that "we thought that we had lost everything, but we have more now than we had before. We can't express our appreciation enough to all of the people of the county who helped us."

Firefield firemen expressed their thanks to all, especially the Gettysburg firemen, who collected articles locally and took them to Firefield.

LANIEL REIGN
ENDS ON JAN. 17

PARIS (AP)—France may have a new government by Jan. 25—the date Russia today proposed for a Big Four meeting at Berlin—but don't bet on it.

When President-elect Rene Coty, 71-year-old grandfather of 10 children, is inaugurated Jan. 17, Premier Joseph Laniel's Cabinet will be automatically dissolved.

That gives Coty just eight days to pick a new Premier and for that Premier to build up a Cabinet and get approval from a National Assembly split wide open in half a dozen ways.

Just how badly split the French Parliament is was brought home in the presidential elections at Versailles. It took 7 days and 13 ballots to elect Coty. The most it had ever taken before was 2 ballots.

In fact, in the last Cabinet crisis, France went without a government for 36 days. When Premier Rene Mayer's Cabinet resigned May 21, more than half a dozen politicians failed to form Cabinets or get Assembly approval before Laniel finally succeeded on June 26.

At 6:30 o'clock Thursday evening cars operated by Paul McClellan, Halover St. and Huber Wise, W. High St., collided on S. Washington St., causing \$60 damage.

"A CHILD PRAYS"

Last night when all the lights were low . . . save for the stars above . . . I heard a child on bended knees . . . say prayers of purest love . . . with little hands folded so tight . . . and curly head bowed low . . . the little one spoke tenderly . . . the things God wants to know . . . dear God, bless Mama, Daddy too . . . and please watch over me . . . this was the prayer of innocence . . . a sweet and golden plea . . . each soft remark caressed my soul . . . I know God must have heard . . . the beating of a spotless heart . . . in each angelic word . . . and starlight sent a magic spray . . . across the baby's room . . . to bring a great tranquility . . . dispersing worldly gloom . . . for what could be more wonderful . . . blissful and so divine . . . than prayers from sincere childish lips . . . so pure and true and fine.

The members of Girl Scout Troop No. 28 enjoyed a Christmas party on Tuesday evening in the engine house. Ten girls from the Hoffman Orphanage, near town, were guests of the troop on the occasion. They were Linda and Louise Boyden, Mary Ann Feathers, Sandra Huntsberger, Loretta Heisel, Rosetta Russell, Barbara and Rosalie Fuhrman, Wanda Jean O'Donnell and Patsy Smith. Several members of the troop entertained with songs and there was group singing of carols. Gifts were exchanged and refreshments were served. Those present at the party in addition to the members and guests were Mrs. Earl Stites, troop leader, and Mrs. John Bowers and Mrs. Carl H. Baumgardner, troop committee members.

The students of the Littlestown Joint School System were dismissed on Wednesday. Classes will be resumed at the regular time on Monday, January 4.

RUSSIA REJECTS JAN. 4 DATE FOR BIG 4 MEETING

MOSCOW (AP)—Informed Western sources reported today the Soviet Union has rejected the proposed Jan. 4 date for a meeting of the Big Four foreign ministers in Berlin and proposed instead Jan. 25 or later.

Western diplomatic sources said the Soviets stated there were "administrative difficulties" in the way of the Jan. 4 date proposed by the West on Dec. 8.

The Soviet counterproposal was given in notes delivered to the U.S. British and French ambassadors in Moscow at noon. The notes were reported very brief. They have not yet been officially published.

The sources added the Soviets also appeared to object to the Western proposal that the Berlin conference be held in the former Allied Control Authority building, in the American sector of the divided city.

Advance Conference
It was reported the Russian proposed instead that the four high commissioners in Germany confer in advance on an alternative site.

The Soviets, however, are still willing to meet in Berlin, which was originally their suggestion. They had previously agreed to the idea of a four-power conference but did not specify a date.

The Soviet note, coming only today, gives the West short notice for altering the Jan. 4 plan. It was believed here that the delay in the Russian reply might have been caused by uncertainty over the recent prolonged French presidential election.

In their last note, the Western powers suggested that the questions of Germany and Austria be discussed at the parley but let the way open for the Soviets to bring up any other questions.

The Russians want a big five

TRAIN WRECKS KILL 362 IN 4 COUNTRIES AT CHRISTMASTIDE

By THE ASSOCIATED PRESS
Four countries around the world counted a death toll of possibly 362 persons today as a result of Christmastide train wrecks.

Two of the rail disasters—in New Zealand and Czechoslovakia—were among the worst in history. The other accidents were reported from Peru and Pakistan.

In New Zealand, an estimated 166 lives were lost when a speeding Wellington-Auckland passenger train plunged into a river gorge Thursday night after a bridge had washed out 250 miles south of the capital. The catastrophe cast gloom over the little country at the time it was entertaining Queen Elizabeth on her Commonwealth tour.

Ore Train In Andes Kills 6
The Bratislav-Prague express in Czechoslovakia smashed into another passenger train near Sakvice, killing from 100 to 186 persons according to unofficial piecemeal reports from the Iron Curtain country. The wreck, also on Christmas Eve, may have been the third worst train crash in history.

A heavily loaded ore train jumped the tracks on an Andes Mountain grade 12 miles from Lima, Peru, and six crewmen were killed. The seventh man aboard the train was seriously injured.

Another freight train derailment in Pakistan took the lives of four crewmen. This accident occurred yesterday about 30 miles from Quetta in the western part of the country.

SAIGON, Indochina (AP)—The vanguard of Communist-led Vietnamese forces moved today into the abandoned town of Thakhek, on the Mekong River border with Thailand, completing a rebel drive to cut Indochina in two.

First reports from the area said the Vietnamese units that drove boldly across the country from the coastal areas of Annam sent light elements into Thakhek, previously evacuated by the French.

The withdrawal of the French had been announced earlier today in a communique from the high command. It said the evacuation was ordered to pull as many troops as possible together in order to meet the Vietnamese attack.

Limit Confab Talks
Western spokesmen have made it clear publicly they would like to limit the proposed conference to consideration of the long-delayed German and Austrian treaty settlements.

Allied sources have stressed that the West has no intention of changing its known position of the central issue of German reunification: That free nationwide elections must come before formation of an all-German government. Russia has demanded just the opposite: An all-German government and then elections.

The Western notes of Dec. 8 were drawn up at the big three conference in Bermuda earlier this month.

Mark Anniversary Today

Mr. and Mrs. Felix P. Lawrence, 70 Prince St., Littlestown, are celebrating their silver wedding anniversary today at their home. Mr. Lawrence is a son of the late Lewis and Mary Jane (Lawrence) Lawrence of McSherrystown, and Mrs. Lawrence, the former Mary Hare, is a daughter of Charles and Millie (Altoff) Hare, Lumber St., Littlestown. Mr. and Mrs. Lawrence were married on December 26, 1928, at 6 a.m. in St. Aloysius Catholic Church, Littlestown, by the late Rev. Edward J. O'Flynn. They were attended by John Snerringer and Pauline Snerringer, New Oxford R. D., nephew and niece of Mr. Lawrence.

In observance of their anniversary, Mr. and Mrs. Lawrence served a buffet luncheon at noon today to their immediate families. A two-tier wedding cake, topped with a miniature bride and groom, occupied the center of the luncheon table which was also decorated in keeping with the holiday season. Open house followed the luncheon and many relatives, neighbors and friends are visiting with the celebrating couple.

Mr. and Mrs. Lawrence have received many gifts and messages of congratulations on the occasion.

PRIEST BALKS JAIL BREAK

MILWAUKEE (AP)—A Roman Catholic priest, waiting to administer Holy Communion, was credited Friday with helping to balk the attempted escape of five prisoners from the Milwaukee county jail.

Sheriff Max Barczak said one of the quintet, Vernon Phillips, 26, had asked to receive communion from the Very Rev. Edmund Kramer in a consultation room a few feet off the cell block corridor. Barczak said jailer Paul Kozlowski unlocked the door of the cell area for Phillips but was rushed by the group and felled by a blow from a man's sock which had been filled with soap bars. Kozlowski's keys were taken and he was locked inside the area.

The jailer yelled for the priest to use the intra-jail telephone to warn of the break. A jailer in the office pressed an alarm button. About 40 armed guards and police closed in on the trapped prisoners, who surrendered meekly.

Frank Leahy Jr., 17, will enroll at Notre Dame next year. He's a football player, too.

TEN YEARS AGO

Counties Reported Killed In Action: Pfc. Joseph Hark Byer, 19, of Orrtanna, who volunteered 16 months ago for service in the U. S. Marine Corps, has been killed in action somewhere in the South Pacific, his family has been notified.

Pvt. Eugene William Shellenman, 23-year-old father from East Berlin who had been listed in July as missing in action now is known to have been killed in action in the South Pacific, according to word received by his parents, Mr. and Mrs. Louis E. Shellenman, East Berlin R. 2.

Bark Service and Visitors at County Home and Jail: Dr. C. G. Crist, county physician, today announced that until further notice no visitors nor religious services will be permitted at the county jail and county home because of the flu epidemic. At the same time Miss Emily C. Allison, superintendent of the Annie M. Warner hospital, appealed to friends and relatives of persons in the hospital not to visit the patients there because of the epidemic.

Gettysburg schools continued report increased absences caused by the flu. A total of 361 were absent today from the four local schools. Biglerville reported 71 missing from its high school because of illness.

Engagement of Miss Stock Told: Mr. and Mrs. Charles W. Stock, Harrisburg St., announce the engagement of their daughter, Miss Mary Mary Stock, to First Lieutenant Herman F. Frisch, son of Mr. and Mrs. Herman G. Frisch, Reading.

Nine Companies Battle Blazes in East Berlin: The 700 inhabitants of East Berlin spent several uneasy hours Monday afternoon as firemen from nine communities and other volunteers fought to bring under control a half fire blazing simultaneously.

The first fire occurred at 1:50 o'clock at the barn on the property of Dr. Eugene Elgin, destroying the building. Sparks carried into the air by high winds ignited shingle roofs of buildings in the radius of a block. East Berlin firemen could not combat all the fires, and calls for aid were sent to surrounding towns.

Responding to the calls were firemen and equipment from Franklintown, Dillsburg, Hampton, York Springs, Gettysburg, New Oxford, Abbottstown, and Thomastown.

The barn of David Kime, adjoining the Dr. Elgin property, was badly scorched and the barn of Mrs. Laura Bosserman, a block away, was destroyed. Opposite Mrs. Bosserman's property flames damaged the barn of Cletus Mummert, owner of the Adams Transit bus company.

Sparks ignited several other barns within the area but the fires there were quickly extinguished by the firemen.

Citizens Trust Liquidation in Closing Stages: The liquidating trustees of the former Citizens' Trust Company, after a decade of work, asked permission of the county court Monday to file their fifth and final account and asked confirmation of the account and termination of their trusteeship. The account shows no balance and a liability of \$30,880.28.

The bank closed March 22, 1932 following a meeting of the board of directors when the Citizens' trust entered into an agreement with the First National Bank of Gettysburg, turning over to it all assets and property that could be legally transferred. The remainder of the assets and property were turned over to the liquidating trustees, M. E. Knouse, Harry L. Snyder and Edmund W. Thomas.

Dr. Tilber Is Elected Head of Scout Unit: Dr. Frederick Tilber was elected chairman of the Black Walnut Boy Scout District at a meeting Tuesday evening.

Arnold Orndorff, Arenzville, was named vice chairman; Edmund W. Thomas, treasurer, and Ray P. Zander and D. D. Crisp, field officers of the York-Adams area, secretaries. Four scouts were presented with star awards following the meeting. They were Francis Steinhorn and Donald Doersom of Troop 79 and William Snyder and Sydney Poppay, of Troop 77.

Eisenhower To Lead Invasion:

Today's Talk

By GEORGE MATTHEW ADAMS

SLEEP REMEDIES

The most precious moments of each day may be those that gather about you as you put yourself away in your bed for your daily rest. Dismiss all unhappiness, or troublesome events of the day. Concentrate upon the many blessings that are yours. Count them one by one. They are sure to outnumber everything else. Keep thinking of them.

Just to be living in a free country is something that millions dream about. If you have health, food and clothing, and a home, no matter how humble, think of those who would be glad to have even these blessings. And if you have friends, who love and believe in you, you have a form of wealth beyond price.

You are the inheritor of every star in the sky, of its beauty and mystery. All nature is yours to enjoy. No one has a mortgage upon the blue sky with its floating, ever-changing cloud formations. Every tree, rock formation, waterfall, lake or ocean coast, these are yours to the extent of your appreciation. And every bird-call is a note from you lie in your bed wondering why you can't sleep!

Instead of trying to count sheep, count your blessings. They are bound to be more numerous than the largest herd of any animals. Give thanks to God "from whom all blessings flow." Go to your rest for the night with gratitude for all that you are and have. Think of those who are far more unfortunate than you imagine yourself to be. Think of the possibilities and opportunities that are open to you alone.

Review the past hours of your day. Think of the many ways in which your day could have been a better one, and then resolve to start the new one clean. Crowd out the worries with cheerful thoughts. Relax both mind and body. Sleep happily. Good Night!

Protected, 1953, George Matthew Adams Service

Just Folks

THE DAY AFTER
I thought I could take it. I thought on the floor I could play all day long and no muscle get sore.

I thought I had wind enough to blow, But I'm shorter of breath than I once was, I know.

I thought I could rise with the children at dawn And go through the day without stretching to yawn.

"Get eight hours of sleep," I was warned, "every night." Now Christmas has taught me the doctors were right.

Well, it's over. I tried what I thought I could do And I'm happy to tell that I lived the day through.

There were times that I feared I would never survive. I am worn out and weary, but still I'm alive.

Some New Year Resolutions Suggested For Motorists To Make Highways Safer In 1954

Our toast to you for the New Year: May it be as smooth as your 1954 car.

Lost In The Shuffle
Among the resolutions too many motorists will forget to make at this season are, briefly:

To cut down on the speedometer and speed up on mental and physical reactions.

To remember that no car is any better than the driver at the wheel. To keep constantly in mind that courtesy is the most effective safety device.

To be convinced that we will not only save the car but those who drive as well.

By Any Other Name

Failure of the motorist to get together on terminology results in a measure of mystery as to what is meant by certain words and phrases. One of the leading car makers in a service bulletin speaks of the "terminal housing" which turns out to be nothing more exciting than the distributor head. Carburetor jets are sometimes "nozzles." In technical parlance the acceleration pump of the carburetor has a variety of names, including the word "well." Not one motorist in a thousand knows what an engineer means by the oil "sump," not realizing that it is merely the bottom of the engine oil pan in which the oil reposes when not in circulation.

Merry-Go-Round Starting

When simple fluid drive first came into the picture many drivers were cheered by the prospects of being able to get an easy start when the car is on glare ice, but now that this unit has evolved into a torque converter or is combined with automatic gears the advantages of obtaining the gentlest possible transfer of motor power to the driving wheels has been sacrificed in favor of terrific torque for quick getaways—if the tires can get traction. It is one of the oddities of so called automotive progress that as new developments come along we are forced back to old ideas to help keep them practical. So in the case of starting the modern car on glare ice it becomes more important than ever before to kill excess powder. We can do this with the hand brake, holding it partly on while feeding gas for the start.

If there is no clutch pedal to bother with, as in the case of fully automatic drives, the left foot can be held lightly on the brake pedal while the right foot feeds gas.

Mechanic Joe Speaking:
"One of the heaviest signs in car ownership is the interest in dressing up the engine with chrome plated parts. This may seem like a frill, but it encourages more frequent checking of this important department of the car. There has been far too much boasting about never bothering to raise the hood. That is why so much trouble brews there."

"When an owner buys a chrome plated hood for the air cleaner, polished cylinder head nuts, spark plug covers, special manifolds and the like he is inclined to lift the hood more often and catch trouble redhanded. And have less trouble."

All Around The Lot

These days you have to be on your toes if you expect to diagnose what's what with the car. I recall the case of a friend who was puzzled because there was oily water under the left front door. This job carried automatic windows so he immediately jumped to the conclusion that

there was a leak in the door mechanism. When the door proved to be operating as usual he began to wonder about the brake master cylinder which on his job is up high above the toeboard instead of down under the floorboards. But there was no evidence whatever of loss of fluid.

Perhaps you have already guessed that the under-seat car heater leaked. They had just added soluble oil rust inhibitor to the coolant in the radiator, which accounted for the oily appearance of leaking water.

A Pair To Remember
Dechoking is effected on some carburetors by pressing the accelerator to the floor slowly. A few drops of light oil on the wick in the speedometer head is part of the servicing of this unit.

Behind Those 12 Volts
I am still finding it necessary to explain why lighter wiring can be used with a 12-volt electrical system than with the conventional 6-volt type. Power is delivered by the generator in terms of watts which are the product of amperes multiplied by volts. Let's take an example:

Suppose the generator is designed to deliver 480 watts. This can be done with a 6-volt system by producing 70 amperes at 6 volts. But if the voltage is jumped to 12 the same products of watts can be obtained with 40 amperes. With this drop in amperage the wiring can be lighter.

Three things, in addition to the savings in copper, make the 12-volt system desirable. One is the fact that higher compression engines require higher voltage for ignition. Second, higher speeds call for higher output from the ignition coil. Third, with the increase in the number of car accessories there's need for greater electrical power.

How About The Primary?
Those little pencil type ignition testers are excellent for checking over the high tension system and will often show up trouble in this department, but they do not directly tell the story about the primary system which is so important. General weakness of the high tension current suggests weakness in the primary, a source of much ignition trouble. It usually stems from poor grounding.

"Weary Driver" Damage
Excluding the time when the driver feels a bit exhilarated, and starts off as if headed for a fire, the time when he is most likely to give the car the least consideration is when nearing the end of a long day's travel. Here he is tired and not interested in cooperating with the car for its own best good. He is likely to make driving errors which call for sudden and rather strenuous correction. He is careless shifting gears, and if the car happens to have an automatic transmission he will not handle it expertly. Some times in order to make time he will drive faster than conditions permit, thus being

forced to make an occasional panic stop. He may also be too tired to stop for more oil, or he may risk running low on gas and drawing up water or sediment that may be at the bottom of the tank.

What's Your Trouble?
Q. There's a peculiar clicking noise in my car. It seems to be in the engine but I am not sure. H.K.

A. You should not be in doubt as to whether it is in the engine because you have merely to stop the car, declutch and run the engine by itself. Probably this noise you hear is from the clutch, its fingers hitting the housing. This indicates need for a clutch job.

Q. The engine of my car has a peculiar habit of cutting out every now and again. Have checked just about everything. L. L. R.

A. Make a careful inspection of the pigtails wires inside the distributor. One of these may be broken inside its insulation, thereby breaking the circuit occasionally.

Q. Now that we have cold weather my car rides very hard. There has been no change in the tires or tire pressures. W. W. L.

A. This seems to point to the shock absorbers which may have fluid which is too easily affected by cold.

Q. What is meant by side-draft carburetion and how does this differ from other types? R. McB.

A. Let's take the three types in order. First came updraft. In this gas was sucked up from the carburetor into the cylinders. Engineers later decided to take advantage of the fact that gas vapor is heavier than air, so introduced the now popular downdraft carburetion system. More recently we have the sidedraft arrangement whereby gas vapor is drawn into the intake and the cylinders at about the same level. Main advantage is less risk of the cylinders getting overloaded.

Q. Can the speedometer of a car be inaccurate if it is known that the mileage portion is correct? H. H. M.

A. Yes. The odometer is a geared proposition, whereas the pointer or dial of the speedometer part of the unit follows the drive magnetically. The drive itself is accurate if the odometer is correct but the

PA. TEACHERS MEET MONDAY

HARRISBURG (AP)—Education for modern youth is the theme of the three day annual state convention.

Q. I hope you can help me with the problem I am having with noisy valve lifters. These are hydraulic. I use special oils and am careful to keep the crankcase oil up to the full mark. The engine also has an oil filter. Yet when I get on the open road and start to roll along I am quite likely to get a bad spell of sizzling. E. E. G.

A. In your case this trouble is due to air being sucked into the oiling system, at higher speeds. I would check the oil pump which probably is worn. This will also give you an opportunity to inspect the screen over the oil inlet which may be partially clogged.

Q. Oil mileage is getting to be quite a problem, although I fail to see any smoke from the exhaust and the spark plugs always are clean. There is no loss of oil past the rear main bearing into the clutch because clutch action is always most satisfactory. Wm. J. L., Jr.

A. Start a search for oil leakage. Probably one of the gaskets for a valve cover plate needs replacing. Mr. Russell will answer questions regarding the safe care and operation of your car. Just address him at 254 Fern Street, West Hartford, 7, Connecticut, and enclose stamped, self-addressed envelope for a personal reply. There is no charge.

Hershey Pins Hope On Return Of Five Lettermen For High Position In S.P. League Race

(This is the fourth in a series of articles by members of the South Penn Sportswriters Association on prospects of South Penn teams for the 1954 league season.)

By Hayes Fernstermacher
Hershey High School
Hershey High School, with five lettermen remaining from last year's squad which tied for the second half honors in the South Penn League, again rates as a contender for championship honors during the coming season.

Coach Sterling Banta's returning lettermen are: Frank Capilani, who is a guard with three years as a member of the varsity. Another three-year man is Jim Snyder at forward. Jim can be played at the center slot also. Capilani and Snyder are the co-captains of the squad. At center is Bob Tancredi who is 6-3 and has two years' service on the varsity. Benson Klingler is the other forward and Edward Petrucci the other guard. Both boys have been members of the varsity for two years.

The Trojans also have Bill Sponaugle, Bruce Shenk and Glenn Zeigler who didn't earn letters, but who have played varsity ball for two years. Sponaugle and Zeigler are usually forwards and Shenk, who is a fancy dribbler, plays either guard or forward. Those mentioned are all seniors. There are three juniors who have gained berths on the varsity squad. They are: Kristich, Perucci and Morgan.

Evans Great Loss
Hershey has lost one regular from last year, but it was a great loss. Fred Evans, who was high scorer in the South Penn League, was the only senior on last year's squad. Fred is attending Penn State where he is a member of the freshman team.

As of December 18 Hershey played four non-conference games, winning three and losing only to Lebanon. Hershey's first South Penn game is with Chambersburg, January 5, in which Hershey expects to avenge the loss in last year's playoff.

The Trojans are considered as a top contender in the South Penn loop.

3 TOURNAMENTS GET UNDERWAY WITH 112 TEAMS

By ORLO ROBINSON
NEW YORK (AP)—Three of the 17 holiday basketball tournaments, bringing together 112 hand-picked college teams on courts from New York to Portales, N.M., get underway today with action in New York, Kansas City and Hempstead, N.Y.

Top ranked Indiana and second rated Kentucky, winner of its own tournament earlier in the week, will sit out the holiday court carnivals but six members of the top 10 add flavor to five of the tournaments.

Favor Duquesne
Unbeaten Duquesne (3) is the favorite for the second annual cage festival opening at Madison Square Garden today. The Oklahoma Aggies (5) are the choice in the All-College event starting in Oklahoma City Monday.

Western Kentucky's Hilltoppers (6), also undefeated, figure to be the team to beat in the Louisville Invitational which opens Monday. North Carolina State (9) is one of the choices for the Dixie Classic at Raleigh, Dec. 28-30. And Fordham (7) and Holy Cross (10) are in the Sugar Bowl Tournament.

Duquesne meets New York University (4-1) in the first round at the Garden tonight. La Salle (6-2), featuring All-America Tom Gola, goes against a crippled St. Louis team in the midnight.

Choose Kansas State
Before they take the floor at night, Brigham Young (7) meets Manhattan (3-3) and Niagara (5-1) plays St. John's of Brooklyn (3-2).

Kansas State is the choice in the Big Seven affair, which brings together all members of the conference plus the University of Washington. Kansas meets Colorado and Missouri goes against Iowa State in today's play.

The tournament at Hofstra in Hempstead brings into action several of the East's top small colleges. The field includes favored Lafayette, defending champions Cortland Teachers, American University, Hofstra, Delaware, Wagner, Lehigh and Wesleyan.

BREAK FOR U. S. IN DRAWING FOR DAVIS CUP PLAY

By WILL GRIMSLEY
MELBOURNE (AP)—The United States received a break today in the draw for the Davis Cup challenge round which opens here Monday.

The first singles match will pit Wimbledon Champion Vic Seixas of Philadelphia against Australia's Lewis Hoad. U. S. Champion Tony Trabert of Cincinnati will meet Ken Rosewall in the second singles encounter.

"We couldn't have had a better draw if we had arranged it ourselves," enthused Bill Talbert, captain of the U. S. team. "I am confident we will start off with two victories and put the pressure on the Australians."

Predict Victory
Talbert went on record yesterday with the prediction "We will win the Davis Cup and I think it will be four matches to one."

Talbert had been hoping the luck of the draw would pair Seixas against Hoad since the Philadelphia has beaten Hoad in their last six meetings, four this year. Trabert's power is figured sure to cut down little Rosewall just as in Forest Hills this past summer when Tony won the U.S. championship.

Talbert said he figured the experience of Trabert and Seixas would be a determining factor. Rosewall and Hoad, each only 19, will be playing in their first Davis Cup matches.

Starts Sunday
The first match of the three-day challenge round starts at 1:15 p.m. (10:15 p.m. Sunday EST in the United States) before a sellout crowd of 17,500.

Seixas and Trabert were nominated for the doubles on Tuesday against Rosewall and Hoad although Talbert and Harry Hopman, Australian team captain, each reserved the right to make a change an hour before the match.

The two final singles will be played Wednesday with Hoad opposing Trabert and Seixas playing Rosewall in the last match of the five-match round.

MINELLI MEETS WILSON TONIGHT

BOSTON (AP)—Substitute Livio Minelli of Italy is a slight favorite to balk the boxing ambitions of Boston welterweight Wilbur Wilson tonight in a nationally televised 10-rounder at Mechanics Building.

Minelli stepped in on short notice to fight the improving young Bostonian after Danny (Bang Bang) Womber of Chicago was advised by his physician, Dr. Vincent Nardiello of New York, to rest six months.

Womber, who won a split decision over Wilson in a TV clash last October, took a severe pasting from Art Aragon on the west coast recently.

Minelli holds a victory over Johnny Bratton and gave welterweight king Kid Gavilan a good fight while losing a split decision.

The bout goes over the ABC cable starting at 9 p.m. (EST), with New England blacked out.

Mrs. Pandit Sees New Hope For Peace

NEW DELHI, India (AP)—Mrs. Vijaya Lakshmi Pandit, president of the United Nations General Assembly, said today that as the year ended she saw greater prospects for peace "than for some time past."

Speaking at a news conference, she gave as reasons for her hopes for a peaceful year:

1. A general softening attitude by both sides of the power blocs.
2. A general endeavor to stop, pause and think.
3. A general repeated and decided attempt to arrive at united decisions on the part of the world's nations.

As to Communist China, she commented, "there is a growing belief in U.N. circles that Red China will have to have a seat at some future time."

Rochester Royals Defeat Warriors

By THE ASSOCIATED PRESS
The red hot Rochester Royals, steadily closing in on the Minneapolis Lakers, were only a half game behind the National Basketball Association's western division leaders today.

The Royals overcame a nine point deficit last night to score a 73-65 triumph over the Philadelphia Warriors. Meanwhile, for the second time in eight days, the Baltimore Bullets upset Minneapolis, this time 88-78.

In other games, the New York Knickerbockers whipped the Syracuse Nationals 89-80 and the Fort Wayne Pistons trounced the Boston Celtics 108-79.

SIX CLASS A CAGE CHAMPS ARE UNBEATEN

By DICK HOENING
HARRISBURG (AP)—Six Class A district champions remain in the undefeated class today as the new schoolboy basketball season enters the final week of pre-league play.

The week of annual holiday vacations brings with it numerous alumni games, invitational tournaments, benefit doubleheaders and even a short rest for some fives.

A majority of the state's 20 major conference races get going the following week. Three leagues have already opened, the North Schuylkill, West Central and Susquehanna.

Most of the 11 defending district titleholders will play again before the year is out. All eight that played this week came up with triumphs.

Yeaton's state championship outfit came through with flying colors in its first real test, licking Pottstown Tuesday, 64-33, for victory No. 5 in as many starts. Next week the Eagles run into the Dist. 2 champ, Old Forge.

First To Win No. 10
Coal Twp. of Dist. 4 became the first club in the state to hit the 10 win mark Thursday. The Purple Demons, who have had trouble in only one game against Bloomsburg, overpowered Freeland Mining and Mechanical, 69-61 and are on the way to another good year.

In addition to Yeaton and Coal Twp. other district champs still to suffer a loss are Old Forge 4-0, Johnstown 6-0, Meadville 6-0, and Allentown 5-0.

The five other district leaders of last season have dropped from one to four games each. Harrisburg, John Harris lost twice and Berlin once to fall from the unbeaten list in the last 10 days. Sharon, runner-up to Yeaton in 1953, has been defeated by Erie Prep and Bradford of Dist. 9 lost to Erie East and Warren.

Pittsburgh Westinghouse of Dist. 7 has yet to win in four tries but the Bulldogs lost their first four last season before starting to win.

Scores Important Victory
Mahoney Twp. recorded an important win over defending league titlist Ashland Tuesday for No. 7 in a row and a tie with Shenandoah in the early North Schuylkill standings. It was Ashland's first loss in six starts and could decide the first half race.

The round of holiday tournaments gets going Saturday at Hazleton and Slatington. The 2nd annual Hazleton Junior Chamber of Commerce tourney opens with West Hazleton playing Kingston and Freeland High opposing Berwick, last year's winner. The victors meet Monday.

The four-night, eight-team annual Lehigh Valley League tournament at Slatington pits Northampton against Weatherly and Summit Hill against Slatington in first round play. Two more quarter-finals will be played Monday with the finals Jan. 2.

Queen And Duke Visit Horse Races

AUCKLAND, New Zealand (AP)—Queen Elizabeth II and the Duke of Edinburgh joined some 30,000 Aucklanders at the races today, the fourth day of the royal visit to New Zealand.

The royal couple was swamped in a crowd of enthusiastic well-wishers when they went to see the horses at the paddock, but police finally extricated them. During the crush the Duke protected his wife skillfully. Although bumped and jostled, he kept calm and spoke reassuringly to the Queen as she glanced apprehensively over her shoulder.

In St. Mary's Hospital Christmas following a heart attack. He was 53.

Lederer served as representative from Philadelphia's 11th District from 1948 to 1952. He had been active in Democratic Party politics for 25 years. His widow, three daughters and seven sons survive.

BULLET STAR WILL PLAY AT MIAMI TODAY

MONTGOMERY, Ala. (AP)—Unless the stars are wrong today, the 15th annual Blue-Gray football shindig looks like another wide open, free scoring affair.

As usual the experts are picking the South, but they've got their fingers crossed. The kickoff is at 1:30 p.m. (CST).

The South leads the series 10-4. Coach Rip Engle of Penn State, the Yanks' head man, has rounded up one of the best balanced squads ever to represent the North.

The usual quote of professional scouts were on hand to look the all stars over as prospects for the pro draft next year.

They'll be watching such players as the Rebels' passing whiz kids, Jackie Parker of Mississippi State, Don Ellis of Texas A&M., and Lamar Mohan of Arkansas.

Yankee aerialists Tony Rados of Penn State and Don Rydolph of Utah are equally tipped at tossing. Rados hit 81 passes out of 171 for 1,025 yards and eight touchdowns for the Nittany Lions during the past season. He ranked fifth in the nation.

On the ground, the northerners have been working Jack Cross of Utah, Ralph Cecere of Villanova, Joe Ujohal of Gettysburg and Dick Jones of Penn State.

Conference ball carriers include tough Max McGee from Tulane, Ralph Pauque of Kentucky and Jerry Marchand of Louisiana State.

The kickoff is at 2:30 p.m. and will be broadcast.

3 PRISONERS ESCAPE PRISON

DOYLESTOWN, Pa. (AP)—Three prisoners escaped from the Bucks County prison last night. They simply walked away from two unarmed guards.

The three had been let out of the prison's front gate to place buckets of garbage at the entrance. Once outside they kept going and the guards, unable to catch them, returned to the jail and sounded the alarm.

The three were identified as Herman C. Cable, 20, Philadelphia, serving 9 to 23 months for burglary; Leon Johnson, 33, Lexington, N.C., serving the balance of a five-year term for violation of parole, and Robert H. Mitchell, 23, Perkasie, Pa., serving 15 months to 4 years for larceny.

Warden Earl Handy said other prisoners told him Johnson had been talking about trying to escape to visit his mother who is reported seriously ill at her home in Lexington.

Cardinal Visits Americans In Korea

U. S. 40th DIVISION, Korea (AP)—Francis Cardinal Spellman flew across snow-covered mountains today to visit more than 3,300 men of the 40th U. S. Infantry Div.

He stood bareheaded before a microphone and addressed a crowd of 500 men and officers who met him at the division airstrip, including the 9th Corps commander, Maj. Gen. Thomas F. Hickey, the 40th Div. commander, Maj. Gen. Ridgeley Gaither and 40th Div. Chaplain (Lt. Col.) William B. Sharp.

The 160th regimental commander, Col. Charles R. (Monk) Meyer, Bradenton, Pa., former West Point football star, was the cardinal's host at a noon meal at his regiment.

Later the Catholic archbishop of New York talked to more than 2,000 at the 160th Rgt. theater.

CHURCH ANNOUNCEMENT

CINCINNATI (AP)—The bulletin board in the church yard usually gives the time and date of services and the text of the sermon. The Rev. Ritchard Lyon, pastor of the Price Hill Baptist Church, however, recently put it to a new use.

"It's A Boy," the bulletin board announced. The only other printing was the minister's name, and the following:

DEATH TOLL ON P.A. HIGHWAYS MOUNTING FOR XMAS HOLIDAY

By THE ASSOCIATED PRESS
A mounting accidental death toll dampened the festive Christmas holiday mood in Pennsylvania today as motorists, lured by clear roads and perfect winter driving weather, crowded highways throughout the Keystone State.

Since Christmas Eve, 13 accidental deaths have been reported: 11 on highways, one in a fire, and a two-year-old boy in a fall down the steps of his home.

The child was James Mervine of Warren, found at the bottom of a staircase by his parents when they went to wake him Christmas morning to open his gifts. He died of a broken neck.

In a fire at Salisbury, Somerset County, 84-year old Robert A. Kidner burned to death in his four-room, one-story home.

Two of the traffic victims died in a head-on collision near Greensburg Thursday night. They were Mrs. Josephine Gangone, 25, of Latrobe and Lois Panigall, 29, of Greensburg. Two Greensburg men, William Bell, 21, and David Weber, 20, riding in the car with Miss Panigall, were critically injured.

Mrs. Gangone was a niece of Atty. Charles J. Margiotti of Pittsburgh and was a receptionist in his law office.

A 61-year old clerk for the Bucyrus-Erie Co. in Erie was struck and killed by an auto as he was walking to a Christmas Eve church service. He was Mark C. Waterman.

The first fatality reported at the start of the weekend was 20-year old Richard Bookes of R. 1, Adrian, near Kittanning. He was killed when his auto skidded on an icy patch and overturned near that Armstrong County city.

In an accident near Lykens, Dauphin County, Thomas Chupick, 26, Tower City, a father of three children, was killed when his car ran off the road and crashed.

In suburban Harrisburg, a car and truck collided, fatally injuring Carlton Welch, 40, of Harrisburg.

NORTH SHUT OUT BY SOUTHERNERS IN SHRINE GAME

MIAMI, Fla. (AP)—"Our quarterbacks hardly had a chance to raise their arms," said Purdue coach Stu Holcomb, whose North team lost 20-0 in the Shrine North-South college all-star football game last night.

"That South line was really fired up," he continued. "They outcharged us all night."

Although quarterback Zeke Bratkowski of Georgia set up all three south scores with his passing and punting, it was devastating defensive play which really made things rough for the North.

Crawford Mims, an All American guard from Mississippi; Tom Miner, a big, quick Tulsa end; Ed Meadows, a battering ram tackle from Duke; and Ed Merrifield, an alert, punt-sized half-back from Missouri, played terrific defensive games.

Mims was voted the outstanding player in the game by sportswriters.

The South, coached by Andy Gustafson of Miami, collected 88 yards on the ground and 120 on Bratkowski passes. The North got 119 yards on passes, a minus 14 yards rushing.

WILL SET UP PRISON BOARDS

HARRISBURG (AP)—Seven fifth class counties of Pennsylvania will set up prison boards to operate their county jail under a new law effective Jan. 1.

The law, passed by the 1953 legislature, authorizes the seven counties to establish prison systems similar to those operating now in third and fourth class counties.

The fifth class counties are Blair, Bucks, Butler, Lawrence, Lycoming, Northumberland and Mercer. The prison boards established by the act were given authority to name prison wardens and to fix county prison administration policies.

The sheriff in those counties, now primarily responsible for prisoners, will have to give up his residence in the county jail. Those quarters will be made available to the warden to be named by the prison board.

The new board of prison inspectors established by the act consist of the county judges, district attorney, sheriff, controller and the county commissioners.

NEW RED PROVINCE

LONDON (AP)—Moscow radio today reported creation of a new Oblast-province in Siberia. It will be called Magadan and extends from the Arctic to the Sea of Okhotsk.

Although Central Falls in Rhode Island has 23,000 people in 1 square mile, the state also has a township of 49 square miles with only 700 people.

Hit By Two Cars On Christmas Eve

PHILADELPHIA (AP)—Ronald L. Botterbusch of Dover, Pa., near York, was reported in good condition today in suburban Bryn Mawr Hospital where he is recovering from injuries suffered in a Christmas Eve traffic accident.

Botterbusch, 20, was struck by two autos on the Lancaster Pike at nearby Daylesford. One car knocked him down and the second, going in the same direction, threw him into the side of the road. He suffered a fractured left leg and internal injuries.

MAY LEGALIZE TRIAL USE OF WIRE TAPPING

WASHINGTON (AP)—Chairman Ferguson of the Senate Republican Policy Committee predicted today Congress will legalize the use in spy trials of evidence obtained by telephone wiretapping.

"A proper bill can be worked out and passed, protecting both the inalienable rights of citizens and the welfare of the nation," the Michigan senator said in an interview.

Sen. Pomeroy (R-Mich.) also said he thinks some such law will be enacted, but Sen. McCarran of Nevada, senior Democratic member of the Senate Judiciary Committee, rated present chances as doubtful.

Brownell Asking
Atty. Gen. Brownell has announced he plans to ask Congress to permit the use of such evidence in trials under certain conditions. The idea reportedly was discussed during President Eisenhower's conferences with Republican Congress leaders at the White House last week.

Federal law does not prohibit wire tapping by federal officers but it does forbid the use of such evidence in a trial court. The rule has been interpreted to block the use of evidence uncovered as the result of "leads" produced by wire tapping.

The issue is hotly controversial. It has been before Congress before, but Ferguson said he thinks this time "the administration and Congress can work out a bill keeping in mind our historical background" that would satisfy most opponents of the idea.

Here's Xmas Turkey Made Italian-Style

ROME (AP)—They had turkey for Christmas dinner in Italy, too. For kitchen-minded housewives, here's how it's done:

You take a fairish slice of turkey breast, cover it with a thin cut of boiled ham, spread thereon a generous portion of cheese. Fry it in olive oil or bake it in the oven.

That's how Italians ate their turkey on Christmas Day. They call it "tacchino alla bolognese."

Volcanic steam furnishes nearly a tenth of Italy's electric power.

LIONS, BROWNS DRILL FOR BIG TITLE GAME

DETROIT (AP)—The Detroit Lions set for final drills today in preparation for the "big one" Sunday when the championship of the National Football League will be decided on the frozen turf of Briggs Stadium.

Will the Lions, defending champions and kings of the western division, carry coach Buddy Parker off the field in triumph? Or will the Cleveland club do all the happy rough-housing after the game?

The oddsmakers have installed coach Paul Brown's powerful array of pigskin-toters as 5½ point favorites. This was done mainly on the strength of the passing arm of Brownie quarterback Otto Graham, the line-crashing of fullbacks Marion Motley and Harry Jagade and the place kicking of Lou (The Toe) Groza.

The game will be carried on a national (Dumont) television hook-up with the kickoff scheduled for 1 p.m. (EST). Detroit and a 75-mile radius around the city will be blacked out.

RIVER CROSSING IS RE-ENACTED

WASHINGTON'S CROSSING, Pa. (AP)—George Washington crossed the Delaware again this Christmas.

St. John Terrell, a showman devoted largely to musical comedies, and seven others of varied occupations yesterday re-enacted the memorable episode in man's long fight for freedom.

Terrell himself played Washington. The others impersonated Washington's staff officers, personal aide and armorer.

Members of the Washington's Crossing Park Commission joined with Terrell in describing the project as a "grand success." The weather was right—crisp and mostly sunny—and despite a timing that conflicted with family dinners, thousands of people lined the river banks on both the Pennsylvania and New Jersey sides to see the performance.

The re-enactment got under way with a scene at the farmhouse where Washington set up headquarters shortly before his crossing of the Delaware and the attack on the Hessian mercenaries at Trenton.

POSSE IS READY

MANSFIELD, Ohio (AP)—In case of emergency, Richland County Sheriff E. P. Long will be able to round up his posse in a hurry.

A troop of uniformed horsemen is being organized. The horsemen will form part of the county's home defense program, the sheriff said. The troop is to provide its own mounts and uniforms. It will stage regular drill periods under its director, a local horseman named Roy Rogers.

Hershey Pins Hope On Return Of Five Lettermen For High Position In S.P. League Race

(This is the fourth in a series of articles by members of the South Penn Sportswriters Association on prospects of South Penn teams for the 1954 league season.)

By Hayes Fernstremacher
Hershey High School
Hershey High School, with five lettermen remaining from last year's squad which tied for the second half honors in the South Penn League, again rates as a contender for championship honors during the coming season.

Coach Hershey Banta's returning lettermen are: Frank Capitani, who is a guard with three years as a member of the varsity. Another three-year man is Jim Snyder at forward. Jim can be played at the center slot also. Capitani and Snyder are the co-captains of the squad. At center is Bob Tancredi who is 6-3 and has two years' experience on the varsity. Benson Klingler is the other forward and Edward Petrucci the other guard. Both boys have been members of the varsity for two years.

The Trojans also have Bill Spaulding, Bruce Shenk and Glenn Zeigler who didn't earn letters, but who have played varsity ball for two years. Spaulding and Zeigler are usually forwards and Shenk, who is a fancy dribbler, plays either guard or forward. Those mentioned are all seniors. There are three juniors who have gained berths on the varsity squad. They are: Kristich, Ferucci and Morgan.

Evans Great Loss
Hershey has lost one regular from last year, but it was a great loss. Fred Evans, who was high scorer in the South Penn League, was the only senior on last year's squad. Fred is attending Penn State where he is a member of the freshman team.

As of December 18 Hershey played four non-conference games, winning three and losing only to Lebanon. Hershey's first South Penn game is with Chambersburg, January 5, in which Hershey expects to avenge the loss in last year's playoff.

The Trojans are considered as a top contender in the South Penn league.

Unbeaten Duquesne (3) is the favorite for the second annual cage festival opening at Madison Square Garden today. The Oklahoma Aggies (5) are the choice in the All-College event starting in Oklahoma City Monday.

Western Kentucky's Hilltoppers (6), also undefeated, figure to be the team to beat in the Louisville Invitational which opens Monday. North Carolina State (9) is one of the choices for the Dixie Classic at Raleigh, Dec. 28-30. And Fordham (7) and Holy Cross (10) are in the Sugar Bowl Tournament.

Duquesne meets New York University (4-1) in the first round at the Garden tonight. La Salle (6-2), featuring All-America Tom Gola, goes against a crippled St. Louis team in the nightcap.

The Royals overcame a nine point deficit last night to score a 73-65 triumph over the Philadelphia Warriors. Meanwhile, the Baltimore Bullets upset Minneapolis, this time 88-78.

In other games, the New York Knickerbockers whipped the Syracuse Nationals 89-80 and the Fort Wayne Pistons trounced the Boston Celtics 108-79.

BREAK FOR U. S. IN DRAWING FOR DAVIS CUP PLAY

By WILL GRIMSLEY
MELBOURNE (AP)—The United States received a break today in the draw for the Davis Cup challenge round which opens here Monday.

The first singles match will pit Wimbledon Champion Vic Seixas of Philadelphia against Australia's Lewis Hoad. U. S. Champion Tony Trabert of Cincinnati will meet Ken Rosewall in the second singles encounter.

"We couldn't have had a better draw if we had arranged it ourselves," enthused Bill Talbert, captain of the U. S. team. "I am confident we will start off with two victories and put the pressure on the Australians."

Talbert went on record yesterday with the prediction "We will win the Davis Cup and I think it will be four matches to one."

Talbert had been hoping the luck of the draw would pair Seixas against Hoad since the Philadelphia has beaten Hoad in their last six meetings, four this year. Trabert's power is figured sure to cut down little Rosewall just as in Forest Hills this past summer when Tony won the U. S. championship.

Talbert said he figured the experience of Trabert and Seixas would be a determining factor. Rosewall and Hoad, each only 19, will be playing in their first Davis Cup matches.

Starts Sunday
The first match of the three-day challenge round starts at 1:15 p.m. (10:15 p.m. Sunday EST in the United States) before a sellout crowd of 17,500.

Seixas and Trabert were nominated for the doubles on Tuesday against Rosewall and Hoad although Talbert and Harry Hopman, Australian team captain, each reserved the right to make a change an hour before the match.

The two final singles will be played Wednesday with Hoad opposing Trabert and Seixas playing Rosewall in the last match of the five-match round.

MINELLI MEETS WILSON TONIGHT

BOSTON (AP)—Substitute Livio Minelli of Italy is a slight favorite to balk the boxing ambitions of Boston welterweight Wilbur Wilson tonight in a nationally-televised 10-rounder at Mechanics Building.

Minelli stepped in on short notice to fight the improving young Bostonian after Danny (Bang Bang) Womber of Chicago was advised by his physician, Dr. Vincent Nardiello of New York, to rest six months.

Womber, who won a split decision over Wilson in a TV clash last October, took a severe pasting from Art Aragon on the west coast recently.

Minelli holds a victory over Johnny Bratton and gave welterweight king Kid Gavilan a good fight while losing a split decision. The bout goes over the ABC cable starting at 9 p.m. (EST), with New England blacked out.

Mrs. Pandit Sees New Hope For Peace

NEW DELHI, India (AP)—Mrs. Vijaya Lakshmi Pandit, president of the United Nations General Assembly, said today that as the year ended she saw greater prospects for peace "than for some time past."

Speaking at a news conference, she gave as reasons for her hopes for a peaceful year:

1. A general softening attitude by both sides of the power blocs.
2. A general endeavor to stop, pause and think.
3. A general repeated and decided attempt to arrive at united decisions on the part of the world's nations.

As to Communist China, she commented, "There is a growing belief in U.N. circles that Red China will have to have a seat at some future time."

SIX CLASS A CAGE CHAMPS ARE UNBEATEN

By DICK HOENING
HARRISBURG (AP)—Six Class A district champions remain in the undefeated class today as the new schoolboy basketball season enters the final week of pre-league play.

The week of annual holiday vacations brings with it numerous alumni games, invitational tournaments, benefit doubleheaders and even a short rest for some fives.

A majority of the state's 20 major conference races get going the following week. Three leagues have already opened, the North Schuylkill, West Central and Susquehanna.

Most of the 11 defending district titleholders will play again before the year is out. All eight that played this week came up with triumphs.

Yeadon's state championship outfit came through with flying colors in its first real test, licking Pottstown Tuesday, 64-53, for victory No. 5 in as many starts. Next week the Eagles run into the Dist. 2 champ, Old Forge.

First To Win No. 10
Coal Twp. of Dist. 4 became the first club in the state to hit the 10 win mark Thursday. The Purple Demons, who have had trouble in only one game against Bloomsburg, overpowered Freeland Mining and Mechanical, 69-61 and are on the way to another good year.

In addition to Yeadon and Coal Twp. other district champs still to suffer a loss are Old Forge 4-0, Johnstown 6-0, Meadville 6-0, and Allentown 5-0.

The five other district leaders of last season have dropped from one to four games each. Harrisburg John Harris lost twice and Berlin once to fall from the unbeaten list in the last 10 days. Sharon, runner-up to Yeadon in 1953, has been defeated by Erie Prep and Bradford of Dist. 9 lost to Erie East and Warren.

Pittsburgh Westinghouse of Dist. 7 has yet to win in four tries but the Bulldogs lost their first four last season before starting to win.

Scores Important Victory
Mahanoy Twp. recorded an important win over defending league titlist Ashland Tuesday for No. 7 in a row and a tie with Shenandoah in the early North Schuylkill standings. It was Ashland's first loss in six starts and could decide the first half race.

The round of holiday tournaments gets going Saturday at Hazleton and Slatington. The 2nd annual Hazleton Junior Chamber of Commerce tourney opens with West Hazleton playing Kingston and Freeland High opposing Berwick, last year's winner. The victors meet Monday.

*The four-night, eight-team annual Lehigh Valley League tournament at Slatington pits Northampton against Weatherly and Summitt Hill against Slatington in first round play. Two more quarter-finals will be played Monday with the finals Jan. 2.

Queen And Duke Visit Horse Races

AUCKLAND, New Zealand (AP)—Queen Elizabeth II and the Duke of Edinburgh joined some 50,000 Aucklanders at the races today, the fourth day of the royal visit to New Zealand.

The royal couple was swamped in a crowd of enthusiastic well-wishers when they went to see the horses at the paddock, but police finally extricated them. During the crush the Duke protected his wife skillfully. Although bumped and jostled, he kept calm and spoke reassuringly to the Queen as she glanced apprehensively over her shoulder.

BULLET STAR WILL PLAY AT MIAMI TODAY

MONTGOMERY, Ala. (AP)—Unless the stars are wrong today, the 15th annual Blue-Gray football shindig looks like another wide open, free scoring affair.

As usual the experts are picking the South, but they've got their fingers crossed. The kickoff is at 1:30 p.m. (CST).

The South leads the series 10-4. Coach Rip Engle of Penn State, the Yanks' head man, has rounded up one of the best balanced squads ever to represent the North.

The usual quote of professional scouts were on hand to look the all stars over as prospects for the pro draft next year.

They'll be watching such players as the Rebels' passing whiz kids, Jackie Parker of Mississippi State, Don Ellis of Texas A.M., and Lamar Mchan of Arkansas. Yankee aerialists Tony Rados of Penn State and Don Rydahl of Utah are equally tifted at tossing.

Rados hit 81 passes out of 171 for 1,025 yards and eight touchdowns for the Nittany Lions during the past season. He ranked fifth in the nation.

On the ground, the northerners have been working Jack Cross of Utah, Ralph Cecere of Villanova, Joe Ujofal of Gettysburg and Dick Jones of Penn State.

Conference ball carriers include tough Max McGee from Tulane, Ralph Paouone of Kentucky and Jerry Marchand of Louisiana State.

The kickoff is at 2:30 p.m. and will be broadcast.

DOYLESTOWN, Pa. (AP)—Three prisoners escaped from the Bucks County prison last night. They simply walked away from two unarmed guards.

The three had been let out of the prison's front gate to place buckets of garbage at the entrance. Once outside they kept going and the guards, unable to catch them, returned to the jail and sounded the alarm.

The three were identified as Herman C. Cable, 20, Philadelphia, serving 9 to 23 months for burglary; Leon Johnson, 33, Lexington, N.C., serving the balance of a five-year term for violation of parole; and Robert H. Mitchell, 23, Perkasie, Pa., serving 15 months to 4 years for larceny.

Warden Earl Handy said other prisoners told him Johnson had been talking about trying to escape to visit his mother who is reported seriously ill at her home in Lexington.

Countians Reported Killed In
Action: Pfc Joseph Hark Byler, 19,
of Orrama, who volunteered 16
months ago for service in the U. S.
Marine Corps has been killed in
action somewhere in the South
Pacific his family has been notified.

Pvt Eugene William Shelleman, 23-
year-old father from East Berlin
who had been listed in July as
missing in action now is known to
have been killed in action in the
South Pacific, according to word
received by his parents, Mr. and
Mrs. Louis E. Shelleman, East
Berlin R. 2

Bars Service and Visitors at Coun-
ty Home and Jail: Dr. C. G. Crist,
county physician today announced
that until further notice no visitors
nor religious services will be per-
mitted at the county jail and county
home because of the flu epidemic. At
the same time Miss Emily C. Allison,
superintendent of the Annie M.
Warner hospital, appealed to friends
and relatives of persons in the hos-
pital not to visit the patients there
because of the epidemic.

Gettysburg schools continued re-
port increased absences caused by
the flu. A total of 361 were absent
today from the four local schools.
Biglerville reported 71 missing from
its high school because of illness.

Engagement of Miss Stock Told:
Mr. and Mrs. Charles W. Stock,
Harrisburg St., announce the en-
gagement of their daughter, Miss
Mary Starr Stock, to First Lieuten-
ant Herman F. Frisch, son of Mr.
and Mrs. Herman G. Frisch, Read-
ing.

Nine Companies Battle Blazes In
East Berlin: The 700 inhabitants of
East Berlin spent several uneasy
hours Monday afternoon as fire-
men from nine communities and
other volunteers fought to bring
under control a half fires blazing
simultaneously.

The first fire occurred at 1:50
o'clock at the barn on the prop-
erty of Dr. Eugene Elgin, destroying
the building. Sparks carried into the
air by high winds ignited shingle
roofs of buildings in the radius of
a block. East Berlin firemen could
not combat all the fires, and calls
for aid were sent to surrounding towns.

Responding to the calls were
firemen and equipment from Frank-
linstown, Dillsboro, Hampton, York
Springs, Gettysburg, New Oxford,
Appomattox and Thomastown.

The barn of David Kim adjoining
the Dr. Elgin property was
badly scorched and the barn of Mrs.
Laura Bosserman a block away was
destroyed. Opposite Mrs. Bosser-
man's property flames consumed the
barn of Carl's Mummet, owner of the
Academy Trust Co. building.

Sparks from the burning barns
were the cause of the fires there
which were extinguished by the fire-
men.

Citizens Trust Liquidation in
Closing Stages: The liquidation
trustee of the Citizens Trust Com-
pany, after a decade of
work, is now in the final stages of
closing the company's affairs. The
company, which was organized in 1943
to handle the affairs of the late
John D. Settle, has been operating
under the supervision of a receiver
appointed by the federal court in
New York City.

Today's Talk
By GEORGE MATTHEW ADAMS

SLEEP REMEDIES
The most precious moments of
each day may be those that gather
about you as you put yourself away
in your bed for your daily rest.
Dismiss all unhappiness, or trouble-
some events of the day. Concen-
trate upon the many blessings that
are yours. Count them one by one.
They are sure to outnumber every-
thing else. Keep thinking of them.
Just to be living in a free country
is something that millions dream
about. If you have health, food and
clothing, and a home, no matter
how humble, think of those who
would be glad to have even these
blessings. And if you have friends,
who love and believe in you, you
have a form of wealth beyond
price.

You are the inheritor of every
star in the sky, of its beauty and
mystery. All nature is yours to en-
joy. No one has a mortgage upon
the blue sky with its floating, ever
changing cloud formations. Every
tree, rock formation, waterfall,
lake or ocean coast, these are
yours to the extent of your appre-
ciation. And every bird-call is a
note from Heaven. Think on these
things as you lie in your bed won-
dering why you can't sleep!

Instead of trying to count sheep,
count your blessings. They are
bound to be more numerous than
the largest herd of any animals.
Give thanks to God "from whom
all blessings flow." Go to your rest
for the night with gratitude for all
that you are and have. Think of
those who are far more unfortunate
than you imagine yourself to be.
Think of the possibilities and op-
portunities that are open to you
alone.

Review the past hours of your
day. Think of the many ways in
which your day could have been
a better one, and then resolve to
start the new one clean. Crowd out
the worries with cheerful thoughts.
Relax both mind and body. Sleep
happily. Good Night!

Just Folks
THE DAY AFTER
I thought I could take it. I
thought on the floor
I could play all day long and no
muscle get sore.
I thought I had wind enough
trumpets to blow,
But I'm shorter of breath than I
once was. I know.

I thought I could rise with the
children at dawn
And go through the day without
stretching to yawn.
"Get eight hours of sleep." I was
warned, "every night."
Now Christmas has taught me
the doctors were right.

Well, it's over. I tried what I
thought I could do
And I'm happy to tell that I
lived the day through.
There were times that I feared I
would never survive.
I am worn out and weary, but
still I'm alive.

**Some New Year Resolutions
Suggested For Motorists To
Make Highways Safer In 1954**

Our toast to you for the New
Year: May it be as smooth as your
1954 car.

Lost In The Shuffle
Among the resolutions too many
motorists will forget to make at
this season are, briefly:

To cut down on the speedometer
and speed up on mental and phys-
ical reactions.

To remember that no car is any
better than the driver at the wheel.
To keep constantly in mind that
courtesy is the most effective safe-
ty device.

To be convinced that care will
not only save the car but those who
drive as well.

By Any Other Name
Failure of the motor world to get
together on terminology results in
a measure of mystery as to what
is meant by certain words and
phrases. One of the leading car
makers in a service bulletin speaks
of the "terminal housing" which
turns out to be nothing more ex-
citing than the distributor head.
Carburetor jets are sometimes
called "nozzles." In technical parlance
the acceleration pump of the carbu-
retor has a variety of names, in-
cluding the word "well." Not one
motorist in a thousand knows what
an engineer means by the oil
"sump," not realizing that it is
merely the bottom of the engine
oil pan in which the oil reposes
when not in circulation.

Merry-Go-Round Starting
When simple fluid drive first
came into the picture many drivers
were cheered by the prospects of
being able to get an easy start
when the car is on glare ice, but
now that this unit has evolved into
a torque converter or is combined
with automatic gears the advan-
tages of obtaining the gentlest pos-
sible transfer of motor power to
the driving wheels has been sacri-
ficed in favor of terrific torque for
quick getaways—if the tires can
get traction. It is one of the oddi-
ties of so called automotive prog-
ress that as new developments
come along we are forced back to
old ideas to help keep them prac-
tical. So in the case of starting the
modern car on glare ice it becomes
more important than ever before
to kill excess powder. We can do
this with the hand brake, holding it
partly on while feeding gas for
the start.

If there is no clutch pedal to
bother with, as in the case of fully
automatic drives, the left foot can
be held lightly on the brake pedal
while the right foot feeds gas.

Mechanic Joe Speaking:
"One of the healthiest signs in
car ownership is the interest in
dressing up the engine with chrome
plated parts. This may seem like
a frill, but it encourages more
frequent checking of this important
department of the car. There has
been far too much boasting about
never bothering to raise the hood.
That is why so much trouble brews
there."

"When an owner buys a chrome
plated dome for the air cleaner,
polished cylinder head nuts, spark
plug covers, special manifolds and
the like he is inclined to lift the
hood more often and catch trouble
redhanded. And have less trouble."

All Around The Lot
These days you have to be on
your toes if you expect to diagnose
what's what with the car. I recall the
case of a friend who was puzzled
because there was oily water under
the left front door. This job carried
automatic windows so he immedi-
ately jumped to the conclusion that

forced to make an occasional panic
stop. He may also be too tired
to stop for more oil, or he may
risk running low on gas and draw-
ing up water or sediment that
may be at the bottom of the tank.

What's Your Trouble?
Q. There's a peculiar clicking
noise in my car. It seems to be in
the engine but I am not sure. H.K.

A. You should not be in doubt as
to whether it is in the engine be-
cause you have merely to stop the
car, declutch and run the engine
by itself. Probably this noise you
hear is from the clutch, its fingers
hitting the housing. This indicates
need for a clutch job.

Q. The engine of my car has a
peculiar habit of cutting out every
now and again. Have checked just
about everything. L. L. R.

A. Make a careful inspection of
the piston wires inside the distribu-
tor. One of these may be broken
inside its insulation, thereby break-
ing the circuit occasionally.

Q. Now that we have cold weath-
er my car rides very hard. There
has been no change in the tires or
tire pressures. W. W. L.

A. This seems to point to the
shock absorbers which may have
fluid which is too easily affected
by cold.

Q. What is meant by side-draft
carburetion and how does this dif-
fer from other types? R. McB.

A. Let's take the three types in
order. First came updraft. In this
gas was sucked up from the carbu-
retor into the cylinders. Engi-
neers later decided to take advan-
tage of the fact that gas vapor is
heavier than air, so introduced the
now popular downdraft carburetion
system. More recently we have the
side-draft arrangement whereby
gas vapor is drawn into the intake
and the cylinders at about the
same level. Main advantage is
less risk of the cylinders getting
overloaded.

Q. Can the speedometer of a car
be inaccurate if it is known that
the mileage portion is correct?
H. H. M.

A. Yes. The odometer is a geared
proposition, whereas the pointer
or dial of the speedometer part of
the unit follows the drive magneti-
cally. The drive itself is accurate
if the odometer is correct but the

Q. I hope you can help me with
the problem I am having with
noisy valve lifters. These are hy-
draulic. I use special oils and am
careful to keep the crankcase oil
up to the full mark. The engine
also has an oil filter. Yet when I
get on the open road and start to
roll along I am quite likely to get
a bad spell of sizzling. E. E. G.

A. In your case this trouble is
due to air being sucked into the
oiling system, at higher speeds. I
would check the oil pump which
probably is worn. This will also
give you an opportunity to inspect
the screen over the oil inlet which
may be partially clogged.

Q. Oil mileage is getting to be
quite a problem, although I fail to
see any smoke from the exhaust
and the spark plugs always are
clean. There is no loss of oil past
the rear main bearing into the
clutch because clutch action is al-
ways most satisfactory. Wm. J. L.,
Jr.

A. Start a search for oil leakage.
Probably one of the gaskets for a
valve cover plate needs replacing.

tions regarding the safe care and

KEEURNS BACK TO WORK TODAY AFTER HOLIDAY

By MARVIN L. ARROWSMITH
AUGUSTA, Ga. (AP)—President Eisenhower, refreshed by a merry Christmas with his family, turns today to work on a sheaf of January messages to Congress—and he may squeeze in a round of golf.

The President and Mrs. Eisenhower arrived by plane from Washington yesterday afternoon after a brief stopover at Ft. Benning, Ga., to pick up their son, Maj. John Eisenhower, his wife Barbara, and the three young Eisenhower grandchildren.

They and Mrs. Eisenhower's mother, Mrs. John S. Doud, assembled around the Christmas tree last night at the Little White House at the Augusta National Golf Club.

Last Month Tough
The President was in a happy mood and the first lady asked him to tell newsmen what he had told her Christmas morning before leaving Washington.

"I said," Eisenhower laughed, "that I was not going to be mad at anyone today. I was so happy to get away."

Work On Dockets
The President remarked that the last month has been a particularly grueling one for him. In it were crowded such events as the Bermuda Big Three conference, his atomic pool speech to the United Nations, and a series of conferences with Republican congressional leaders on the administra-

tion's 1954 legislative program. On the President's work docket is the drafting of three messages to Congress. The first is the State of the Union message, which he will deliver in person Jan. 7, the day after the legislators convene. Budget and economic messages will go to the Capitol a few days later.

Also to be put together here is the television and radio report he will make to the nation Jan. 4 on the administration program thus far. He also will outline future goals.

21 Holdups Thursday In Philadelphia Area

PHILADELPHIA (AP)—In an effort to stem a rising holiday crime wave police arrested 263 persons on Christmas Day.

Extra police details were ordered yesterday after 21 holdups were reported Thursday, with losses amounting to more than \$13,000. Commissioner Thomas Gibbons told officers to stop tagging automobiles and to hunt down the thugs.

Three men were arrested while they robbed a North Philadelphia hardware store.

TO DISCUSS WATER RIGHTS

PHILADELPHIA (AP)—Three Democratic leaders from New Jersey, Pennsylvania and New York plan to meet early next year to thrash differences over Delaware River water rights.

Mayor Joseph S. Clark Jr. of Philadelphia yesterday announced plans for the meeting with Governor-elect Robert B. Meyner of New Jersey and Mayor-elect Robert Wagner of New York City.
